Quick Start Guide

Installation Instructions

This Quick Start Guide describes how to install and configure your new QLogic InfiniPath QLE7140 host channel adapter (HCA) in three simple steps:

- Step 1. Verify the package contents.
- Step 2. Install the HCA hardware.
- Step 3. Install the InfiniPath software.

Keep the HCA in the antistatic bag until installation. The HCA contains parts that can be damaged by electrostatic discharge (ESD). Before handling the HCA, use standard methods to discharge static electricity. Place the HCA on the bag when examining it. Retain the bag for future use.

NOTE: The QLogic InfiniPath QLE7140 was formerly known as the PathScale PE-880.

Step 1. Verify the Package Contents

The QLogic InfiniPath HCA is shipped with the following items:

- QLogic InfiniPath QLE7140 Adapter
- Low-profile bracket (not available in all models)
- Quick Start Guide (this document)

[Quick Start Guide]

Step 2. Install the HCA Hardware

To install the HCA hardware, please refer to the instructions in the *InfiniPath Install Guide*. This document is available on the QLogic web site at www.qlogic.com.

Step 3. Install the InfiniPath Software

To install the InfiniPath software, please refer to the instructions in the *InfiniPath Install Guide*. This document is available on the QLogic web site www.qlogic.com.

Troubleshooting and Technical Support

Refer to the *InfiniPath Install Guide*, the *InfiniPath User's Guide*, and the Release Notes for information on installation and use of InfiniPath HCAs and InfiniPath software. See the QLogic web site www.qlogic.com.

The QLogic knowledge database contains troubleshooting information for the QLogic InfiniBand products. Access the data base from the QLogic web site www.qlogic.com/support/knowledge_base.asp.

For technical support, visit our web site support.qlogic.com, email us at support@qlogic.com, or call 952-932-4040.

Warranty

The QLogic InfiniPath Adapter comes with a standard three year QLogic warranty, or as specified by other agreements. Please check the QLogic Web site at www.qlogic.com for warranty details.

Product Regulatory Compliance QLogic InfiniPath Interconnect Hardware Adapters

The following sections contain a summary of EMI test specifications performed on the InfiniPath Interconnect hardware adapters to comply with radiated emission, product safety standards, and regulatory compliance markings.

EMI Requirements Compliance Statements

United States

FCC Part 15 compliance: Class A

NOTE: This equipment has been tested and found to comply with the limits for a Class A digital device pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at their own expense.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operations.

Changes or modifications not expressly approved by QLogic could void the user's authority to operate the equipment.

Canada

ICES-003 compliance: Class A

- This Class A digital apparatus complies with Canadian ICES-003.
- Cet appareil numérique de la classe A est conforme à la norme NMB-003 du Canada.

Europe

CE Mark 89/336/EEC (modified by 93/68/CEE), 73/23/EEC EMC Directive compliance:

WARNING!! This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

EN55022:1998(Amds A1:2000, A2:2003) Class A
EN61000-3-2: (A2:2005): 2000
EN61000-3-3: 2001
EN55024:1998, (Amds A1:2001, A2:2003)
EN60950-1:2001+A11
EN60825-1:1994+A1+A2
EN60825-2:2000

Japan

VCCI compliance: Class A

Japanese Language Format-Class A

この装置は、情報処理装置等電波障害自主規制協議会（VCCI）の基準に基づくクラス A 情報技術装置です。この装置を家庭環境で使用すると電波妨害を引き起こすことがあります。この場合には使用者が適切な対策を講ずるよう要求されることがあります。

English translation of the above statement:

This is class A product based on the standard of the Voluntary Control Council For Interference by Information Technology Equipment (VCCI). If this equipment is used in a domestic environment, radio disturbance may arise. When such trouble occurs, the user may be required to take corrective actions.

Australia/New Zealand

AS/NZS CISPR22:2002 compliance: Class A

Warning: This is a Class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

Korea

MIC compliance: Class A

Product Name/Model	InfiniPath Interconnect hardware adapters
Certification holder	QLogic Corporation
